Civic Betterment Club

A belated Happy New Year to all of our families, friends, and neighbors from members of the Civic Betterment Club of Princeton. January has already slipped by, but we wanted to wish you a full year and many happy days in 2015.

It's February and time to celebrate another special Valentine's Day, we will be doing so on February 13 by helping the Mille Lacs County Historical Society with a fundraiser. They are having a dinner at Steven's Restaurant from 6:00 - 9:00 pm with a live band and door prizes. Tickets are \$35.00 and can be purchased from area businesses. For more information, call our President, Genny Reynolds (763-389-4613), or stop in at the Art Co-op and see Wendy. Proceeds from this fundraiser will go to the final billing of the new roof on the Depot Museum. Funds for this project were received from a grant, but there was not enough to cover the more extensive work discovered during the roofing.

Throughout the year, we enjoy working with our community and have been busy helping with fundraisers and holding special events, plus we help at events such as the Red Cross Blood Bank & Relay For Life. We meet at 10:00 am the third Wednesday of each month at K-Bob. Our next meeting is February 18th. Come join the club or contact a member if unable to attend. The cost is \$10.00 a year & we know many work & cannot attend meetings, but help at our events would be appreciated as we work together for the betterment of our community.

Please call Genny (763-389-4613) or Judy Barnes (763-389-5855) with any questions. Hope to see you at Steven's on February 13th and K-Bob on February 18!

Princeton Area Visionary Committee

The Princeton Area Visionary Committee is proud to announce that the Coborn Corporation has presented a \$10,000 donation to the building of the planned amphitheater in Riverside Park. The ceremony took place on January 5th, 9:30 a.m. at our local Coborn's Store; the check was presented to us by manager, Ron Eng. The check has been on display at Coborn's and will be at the Business and Community Expo on March 7th, 2015.

Our PAVC has been working on many different funding projects for a few years to build the amphitheater. Having started the idea for this project in 2009, it has been a journey of planning, the surveying, the architectural drawings, permits, flood studies and more. The Otto Bremer Foundation donated \$45,000, the Initiative Foundation \$10,000. Those funds were spent on the before-mentioned workable planning.

The "recession" has made it hard to raise funding to proceed, as we have written in previous articles. The \$10,000 given by the Coborn Corporation is to be used solely for building of the theater, it is not to be used for fundraising. We are addressing the fundraising issue; there are many community individuals who have made donations and the PAVC, thanks you once again. We will move forward and make this project happen!

The PAVC has helped our Community's Economic Developer write the Legacy Grants that have been submitted for the last two successive Septembers. Unfortunately, the City of Princeton, Riverside Park and Riebe Park project were not selected for 2015. Therefore, as they say, we will submit again for 2016; being persistent pays off?

Personally, I can see a beautiful way for the Riverside Park and Riebe Park, a bridge connecting them, biking paths, walking paths along the banks, and more. This could be a Community Built Park System! We have so much talent in this community area; a coming together of our builders, and more; all of us putting money and muscle towards making the Rum River our meeting, family space. A fishing pier, canoeing, safe swimming area, additional picnic space on the Riebe side, more camping there too, another nine holes of disc golf? This all takes lots of financing; our PAVC will continue our grant writing, but YOU could become part of the plan!

Donation of time, money and perhaps joining the committee or coming to just one of our meetings to give your ideas. The PAVC meets the second Monday of each month, 8:00 a.m. at K-Bob restaurant, the front meeting room. We welcome all of you! Check our website: princetonareavisionarycommittee.org, contact myself or any of our board members. They are listed on the website.
