Looking to Raise Funds for Your Program?

Kinship

**ARCTIC BLAST
HOSE-DOWN**

Sat. Feb. 6, 2016 • 1 p.m.

Kinship is inviting all businesses, non-profit organizations; youth sports programs, school teams & clubs, church youth programs and mission trips or community service organizations to join us in raising funds Kinship & other programs in the Princeton Community. All Businesses & Individuals are also invited to join the fun. Funds raised by these groups will go to finding Kinship mentors for kids.

When: Registration begins at Noon & Hose-down at 1 p.m.

Where: Princeton Fire Department 305 21st Ave So. just South of First St.

Who: Participants must be 13 or older and in good health. All registrants must collect \$50 in pledges to participate. Participants with \$100 or more in pledges will receive a Kinship hat.

More Info: Contact Kinship Youth Mentoring of Princeton 612-805-7764 or kinship@sherbtel.net

We Can Do It!

Door Prizes!

Sterling Pointe
SENIOR LIVING

Sterling Pointe proudly sponsors

"One Woman's Clutter."

This community event collects unwanted purses, backpacks, duffle bags and toiletries for distribution to the homeless. "Jesus Refills" outreaches with ready-to-eat foods which are also needed.

**Join us Friday Feb. 5th
from 7-10 p.m.**

in the Sterling Pointe great room located at
1250 Northland Drive in Princeton.

**Requested items include hats, mittens, bags
& ready to eat foods.**

**Donation boxes will be at Sterling Pointe and
Ossell's if unable to attend.**

**A Presentation by Liz Templin of the U of M
At Princeton City Hall
February 4th at 4:30**

She will be presenting a Market Area Profile Analysis. A Market Area Profile (MAP) organizes data from multiple sources into a comprehensive description of those who shop in and visit your community — their demographics, purchasing power, lifestyles, information sources and values. The U of M Extension organizes this data into easy-to-understand reports and leads discussions about the learning. The information stimulates a plan for businesses and the community to proactively meet the needs of customers and tap opportunities to increase revenue. This is part of a Mille Lacs County Project.
