

Feeling frustrated with your game? Purchasing some advantages might help!

Mulligans

Good for any shot. When a mulligan is used, the player can take a "re-do" on that shot.

\$5 each - limit 2 per player. No team mulligans.

String

Teams may purchase a 6 ft. piece of string to be used for any putt. For example, if your putt misses the hole by 5", you may use 5" of the string in lieu of an additional putt. Once that portion of string is used, that portion may not be used again.

\$20/team - one per team

Hit from Red Tee

Men: Take a shot from the red tee.
