Annual Golf Tournament a Big Success!

Congratulations to the team from the **Princeton Golf Course** on their back to back wins at the 2020 PACC Golf Tournament. It didn't come easy, however, as the the Princeton Golf Course and the **Princeton Pizza Pub** finished the round in a tie. They did a play off, and the golf course came out on top as the winners again. We hope both teams will be

back again next year to battle it out once again!

Jami Sternquist from **Edward Jones** won in the Longest Putt competition, Eric Englund from **Taco John's** took home the prize for the Longest Drive, and Rob Christianson from **Central State Masonry** won Closest to the Pin. All three went home

with a \$35 gift card from the Princeton Golf Course. We want to thank the Princeton Golf Course for being such a gracious host each year for our tournament. Thank you also to all of our hole sponsors as well as those who donated to the swag bags, the snack bags, the lunch and the bucket raffle. We couldn't do it without you. Finally, a shout out to the golf tournament committee: Carrie Vesel of **ABRA Auto Body & Glass**, David Haugen and Mike McCoy of **Princeton Insurance Agency**, Brian Schroeder from the **Princeton Golf Course**, and Martha Ahlschlager of **Sterling Pointe Senior Living**.

August Networking

We will have a bit of in person and online networking this month. We hope you can join us!

On **August 6**, we'll be hosting our Chamber Chat where we'll ask you to share updates of your business and just simply touch base!

On **August 13**, grab a beverage and join us online for a fun Mobile Mixer. Watch your email for Zoom information.

On **August 20**, we will be hosting our August Morning Networking group. Weather permitting, we will be meeting at Mark Park - grab a lawn chair and join us at 7:45!

We'll wrap up the month on **August 27** at our August Lunch & Learn with guest Luke Greiner from DEED. You won't want to miss this informative session! Grab some lunch and we'll see you online at noon.

BOARD MEMBER HIGHLIGHT

PACC Board Member Dylan Donner of **Princeton Wine and Spirits**, is in his first term on the board. He said he ran for a position on the board as a way to give back to the community where he grew up. He works as an Assistant Manager at Princeton Wine & Spirits. Dylan said his favorite thing about this community is how everyone knows everyone and takes the time to say hello. When he's not serving on the board or putting in hours at the liquor store, you can usually find Dylan reading. He said he tries to read a book a day! We are proud to have Dylan serving on the PACC Board of Directors.

Discover Your Genius

An email went out last week regarding a workshop being offered exclusively to the Princeton Area Chamber of Commerce. For only \$35, you will receive a 2.5 hour virtual workshop, a 77-page personal report, and a 1:1 session to review your personal results.

For those of you who attended the June Lunch and Learn, you heard from Heather Christensen from EnVISIONeering who presented, "Doing more with less - Leading your team to higher productivity." Heather provided members with some great information and is now offering an extended workshop to our chamber members called, "Discovering your Genius." During this virtual workshop, you will define preferences, motivations and natural talents to zero in on your sweet spot. Discover how you can be the most fulfilled in your work and be the best you!

You must pre-register for this event. Please [CLICK HERE](#) to register.

Club

Tracy Carlson: Edward Jones

State Mask Mandate

On July 27, the Princeton Area Chamber of Commerce distributed approximately 8,000 masks to businesses in the Princeton community. The masks were provided to us by the State of Minnesota and are intended to be given to customers if they enter your place of business without a mask. There was a request for over 10,000 masks, so unfortunately not everyone was able to receive as many as they requested. Fortunately, we were able to secure a few more boxes of masks later in the week. If your business is in need of these single-use masks, please email Kim at kim.young@princetonmmchamber.org and we will make arrangements to get some to you.

OctoberFEAST coming this fall!

Join us Saturday, October 10 at the Mille Lacs County Fairgrounds, where the chamber will be hosting OctoberFEAST, a new event which is taking the place of the Chili Fest and combining it with some events we had to postpone from the Rum River Festival. We'll have food trucks, beverages, a 5K, vendors, games and more! We are in the planning process now, and are keeping our fingers crossed that we will be able to move forward as scheduled. Please mark your calendars and watch for more information coming soon, including information on how you can sponsor the 5K. Vendors and food trucks can sign up for this event through **Go Savvy Social** at gosavvysocial.com. Stay tuned for more information coming soon!

Got a Job Opening?

If you have a job opening you would like us to add to the Chamber website, we're happy to do so! Just email Kim with the information, including a link to the job application. You can see the job openings listed by [CLICKING HERE](#).
