THIS IS PRINCETON

With the addition of Tourism to our chamber, we have now started a podcast called the Princeton Podcast. We recently recorded our first episode, which will be released on Feb. 7th wherever you listen to your podcasts. It will also be available to view on our YouTube Channel of This Is Princeton, MN. Be sure to subscribe to both! We are also building out our tourism website, but it is now live for you to see at: www.thisisprincetonmn.co (no “m”).

As you probably already know, we love collaboration here at the chamber. We are proud to have Charlie Moe, Princeton High School’s Choir Director and a Princeton High School alumni, write the jingle for our new podcast. You’ll hear it at the beginning and the end of each podcast. Thank you, Charlie!

Speaking of collaborations, the chamber is a proud member of the Age Friendly Princeton Leadership Committee. We are currently focusing on three of the eight domains, one being communication. We are collaborating with Princeton Community Education and Princeton National Honor Society Students to offer a Tech Class to those 55+. The class is a 4-part series at Sterling Pointe Senior Living, where we talk about tech basics such as increasing font on the phone, blocking spam phone numbers and texts, how to send a photo through text and more! The class is open to the public with two sessions left. Contact the chamber if you are interested in learning more!

Welcome New Board Member!

We want to begin by thanking board members **Martha Ahlschlager** who has served on the chamber board for many years. Due to her new position at **Fremont Village Senior Living** in Zimmerman, Martha was not able to remain on the board; however, you will still see her around at our events! Thank you, Martha!

We are excited to welcome **Jamie Pendency** who was appointed by the board in February. Jamie is the Marketing Director at **Sterling Pointe Senior Living**, and we are really excited to have her on the board!

Location: Princeton High School

FEBRUARY NETWORKING WITH PRINCETON PUBLIC SCHOOLS

Join us on **February 22** for Morning Networking with **Princeton Public Schools**. We are going to be given an inside look at all of the great things happening in our schools. We'll be hearing from students and staff and Princeton High School, so be prepared to be impressed! Networking begins at 7:45 am, and the meeting begins at 8 am. We are filling up for 2023 Morning Networking very quickly. Currently, we only have the month of July available. Be sure and get on the list soon!

FEBRUARY AFTER HOURS AT SUNKEN SHIP BREWERY

We are excited to see you again for After Hours. February will be a little different as it is the same night as our Puzzles, Pizza and Pub event. We invite you to stop by Sunken Ship Brewery and watch the puzzlers compete! The first round begins at 6 pm and the second round at 8 pm. There will be no drawing this month. We'll pick up with that next month when we gather for March Networking at Spirit River Yoga & Massage.

We still have some openings left for After Hours. Please contact the chamber if you are interested in hosting.

This Is Princeton Partnership

We have an exciting partnership opportunity available to our chamber members. A **This Is Princeton** Partnership gives you the opportunity to showcase your business on the Princeton Podcast.

We have a couple of package options, with the highest level giving you a guest spot on the podcast to highlight your business, the podcast “Brought to you by,” your business and a commercial during a commercial break. We are limiting the partners to a total of 12 and already have some sold. Reach out to the chamber with any questions. We’d love to partner with you!
