

## FALL IS HERE AND WE'RE CELEBRATING!

Summer may have come to an end, but we continue to be busy here at the chamber and throughout the entire community. The fall weather has been spectacular, and there are so many events in the community to get out and enjoy.

THIS SATURDAY, the Chamber will host the 2nd Annual October-**FEAST**, where we'll have food trucks, vendors, live music, axe throwing, inflatables, a cornhole tournament and more! Be sure and stop out. We're still taking registrations for the Cornhole Tournament, so grab a partner and get signed up soon. You'll save \$10 if you sign up before this weekend. [CLICK HERE](#) to get signed up.

Each October, we celebrate Manufacturing Month, and some of our local manufacturers would love to have you stop by for a tour to see all the awesome things being manufactured right here in Princeton. Prepare to be impressed and amazed! **Plastic Products Co, Inc.** kicked off Manufacturing Month last week by hosting our October Lunch & Learn last week, followed by a tour of the facility.

Next week, **Glenn Metalcraft** will be offering two opportunities to stop by, learn more about what they do, get a tour of the facility and learn about career opportunities they have within the company. The Open Houses will take place on **Oct. 19-20 from 11 am—6 pm**. Be sure and stop by!

The following week, you'll have the opportunity to check out what's happening at Crystal Cabinet Works. You won't want to miss the tour to see the steps that their top of the line cabinets go through from start to finish. You can **tour Crystal Cabinet Works on Oct. 25 at noon**.

More information to come on these tours. Be sure and watch your email!

## Welcome New Members!

### Nice Axe

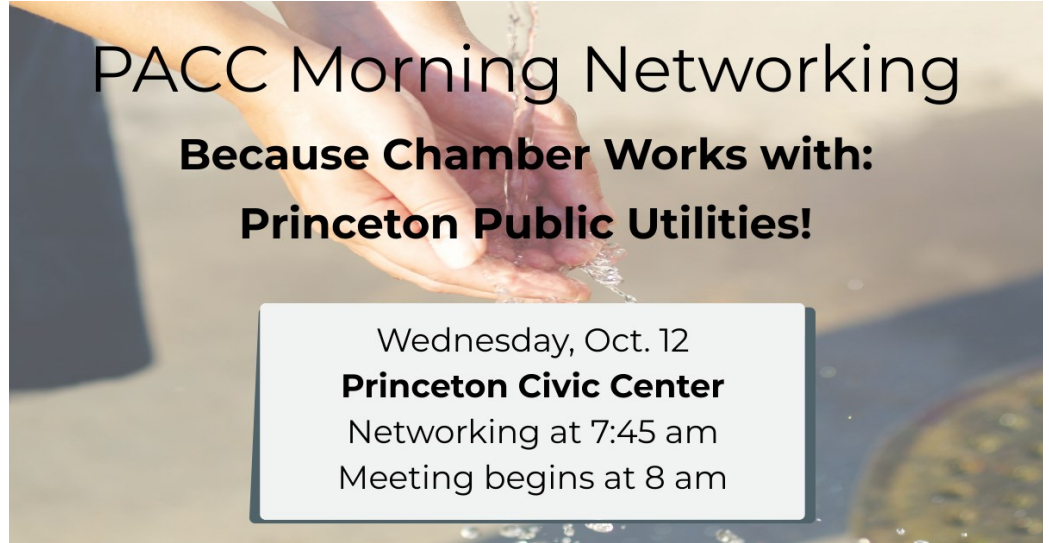

You can enjoy axe throwing on site in Waite Park or rent the axe throwing trailer for any of your events!

### Adam's Electric

Adam's Electric works on new home construction or remodels, commercial projects, electrical maintenance, and routing service calls.

### Fremont Village Senior Living

Fremont Senior Living is new to the Zimmerman community and committed to providing quality care and exceptional experiences for all. Whether you or a loved one are joining their independent living, assisted living or memory care lifestyles, you'll experience a life full of comfort and compassion.

# PACC Morning Networking

**Because Chamber Works with:  
Princeton Public Utilities!**

Wednesday, Oct. 12  
**Princeton Civic Center**  
Networking at 7:45 am  
Meeting begins at 8 am

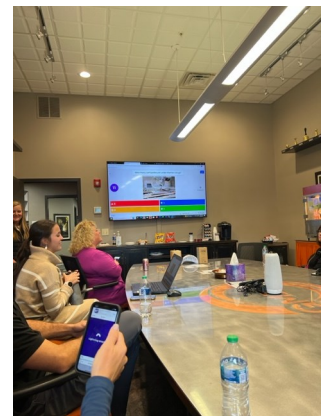

## OCT. NETWORKING WITH PRINCETON PUBLIC UTILITIES

Join us on **October 12** for Morning Networking with **Princeton Public Utilities**. We look forward to hearing about what PPU is doing to preserve and protect the ground water for many generations to come. You won't want to miss it! Networking begins at 7:45 am and the meeting starts at 8 am. Interested in hosting? We are filled for 2022 and are now booking into 2023.

## WIN CASH AT OCTOBER AFTER HOURS!

We had a great time at Elemet Group for September After Hours. We ate popcorn, played Kahoot, a robot even gave us candy! Unfortunately, Kendra from

**Cedar Point Bookkeeping** was unable to make it to After Hours that evening when her name was drawn for the \$200 cash prize. That means we'll be drawing for \$225 in October! All you have to do is attend After Hours, and if your business is drawn, you win! That's it!

Please join us on **Thursday, October 20 between 4:30-6:00 pm** for After Hours at **Bopha Sar**. She promises lots of fun! See you there!

## Tiger Community Connections

Tiger Community Connections (formerly known as Learning & Living) is a collaboration between the chamber and **Princeton Public Schools**. The mission and purpose is investing in and empowering our youth to explore opportunities through authentic local business connections.

**The goals of TCC** is to 1)Build a community of mentors; 2)Match a professional mentor to a student within a specific pathway; 3)Connect students to real-life, authentic, in-the-field experiences and certification opportunities; and 4)Support the career readiness scope & sequence in grades 6-12.

## Want to get involved?

Sign up for **Just Desserts**, which will take the place of our November Lunch & Learn. Just Desserts pairs business professionals like you, with PHS sophomores in a roundtable, speed interviewing type setting. Just Desserts will take place on **November 1st at 1:30 pm at the high school**. Email [pacc@princetonmnchamber.org](mailto:pacc@princetonmnchamber.org) to volunteer.

Volunteers are also needed for **Mock Interviews** with PHS juniors. These will take place at a variety of times from **Oct. 31—Nov. 4**. [CLICK HERE](#) to sign up for Mock Interviews.

Live Here, Work Here, Play Here

## Cross Country Team Penny Run

On **Wednesday, Oct. 19**, you may have members of the **Princeton High School Cross Country Team** stop by your business in pursuit of something to exchange. Each group of athletes is given a penny at the high school. They then run from the school to our downtown businesses and ask to exchange it for something of greater value. They then take that item and exchange it for something of even greater value, and so on. The team with the “best” item upon returning to the high school, wins! It’s great fun for the team and a fun way for them to get to know our business professionals. Thanks for helping them out!
